Dear Resident/Member

### **Become a Community Champion**

I am pleased to inform you that a neighbourhood plan is being prepared for Sudbury Town. This plan is being led by Sudbury Town Residents Association (STRA), formally designated as the NEIGHBOURHOOD FORUM ON 12 December 2012 and **London Borough of Brent**. Please come to the meeting on Saturday, 16 March 2013 at Maya 763-765 Harrow Road, Sudbury, Wembley HA0 2LW starting at 11 am and finishing at 3 pm.

There will be a one hour briefing session on the 16<sup>th</sup> at Maya to bring you up-to-date with the neighbourhood plan and discuss your potential role as a Community Champion.

After which we will go around the area and meet with businesses.

We are leading the way in London – we are one of only a select number of areas that have been awarded funding to prepare a NEIGHBOURHOOD PLAN.

This plan represents an excellent opportunity for the community to come together and shape the future for Sudbury Town. We want the plan to reflect the views of **everybody in the community**.

Together, we can shape what development should happen, where, what infrastructure, shops, services and uses we would like to see provided, and what improvements are needed in Sudbury Town to make it a better place to live, work and do business.

The focus of the plan is on improving the quality and attractiveness of the town centre and our green spaces. **THE NEIGHBOURHOOD PLAN IS A LAND USAGE PLAN.**

We need volunteers to knock on doors in the Avenues, Watford Road and Harrow Road to ask residents and businesses about their vision for Sudbury. You will be required to write down their issues and how they would like it to be addressed.

Please send an email with your details name, address, mobile and email to Renu Kaul [rkaul@aspships.com](mailto:rkaul@aspships.com) or call 078 404 911 42 if you are interested in making a difference in Sudbury Town.
